Sharlston Vision

At Sharlston, we inspire every child to shine by nurturing their unique talents and fostering a love for learning. Together, as a community, we celebrate success as a shared experience, empowering everyone to reach their full potential.

Subject Vision

At Sharlston we follow the Wakefield agreed syllabus for RE. Our intent for RE is to use a range of strategies to allow children to think and consider the big questions that the RE curriculum brings. We aim to ensure that all thinking and reflection time is purposeful and leads to deeper learning. To ensure that this happens, we are mindful of thinking and reflection when planning lessons that consider big questions.

Our primary school curriculum works with the SACRE agreed syllabus for Wakefield, and it aims to challenge children to learn about a range of religious and non-religious worldviews whilst also considering the big questions of life. At our school we want to ensure that our children go out into the world with the knowledge and skills to understand the beliefs of others and live in today's diverse and ever-changing world. Our curriculum plans aim to give our children the opportunities to learn about religion and non-religious worldviews in a variety of ways for example: through art, music, drama and dance as well as through class discussion and more formal writing opportunities.

Children at Sharlston take part in weekly RE lessons that cover the 5 main religions.
