

# KS1 Science Journey Cycle A

**Plants**

**Animals including humans**

The Animal Kingdom

**Everyday materials**

SPRING

**Investigation focus**

Science Week

**Habitats**

SUMMER

**Animals including humans**

Humans and Health

# KS1 Science Journey Cycle B

**Everyday materials**

AUTUMN

**Animals including humans**

The Animal Kingdom

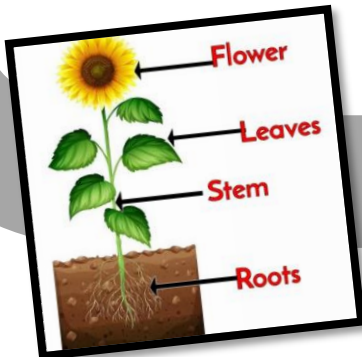

**Habitats**

SPRING

**Investigation focus**

Science Week

**Plants**

SUMMER

**Animals including humans**

Humans and Health

# LKS2 Science Journey Cycle A

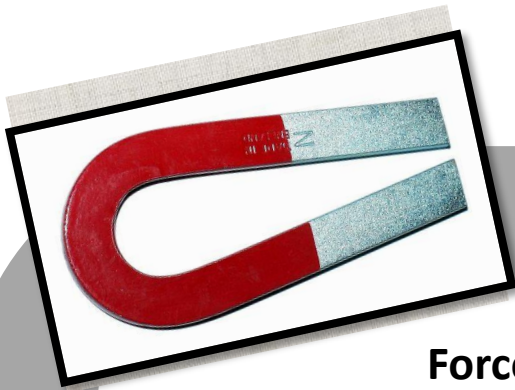

**Investigation focus**

**AUTUMN**

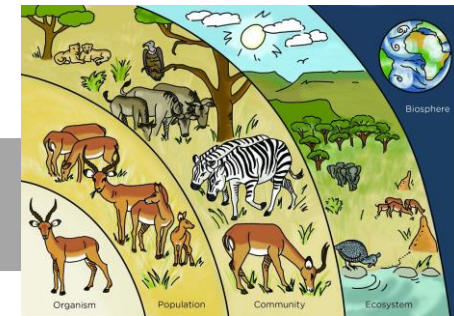

**Rocks, soils and fossils.**

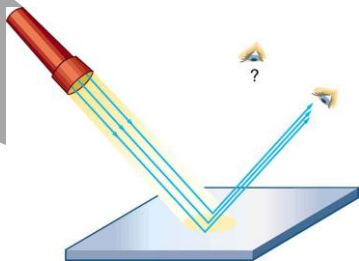

**Forces and magnets**

**SPRING**

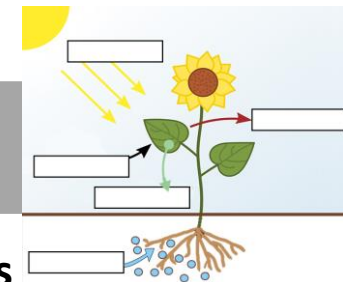

**Living things and their habitats**

**Light**

**SUMMER**

**Plants**

## LKS2 Science Journey Cycle B

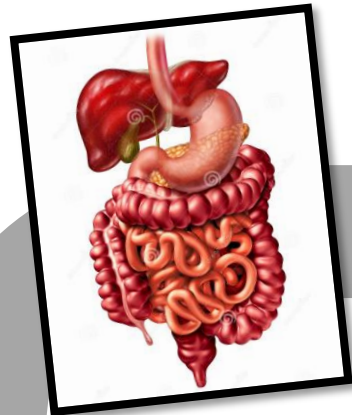

**Investigation focus**

AUTUMN

**States of matter**

**Animals including humans**

Digestive, muscular and the skeleton system.

SPRING

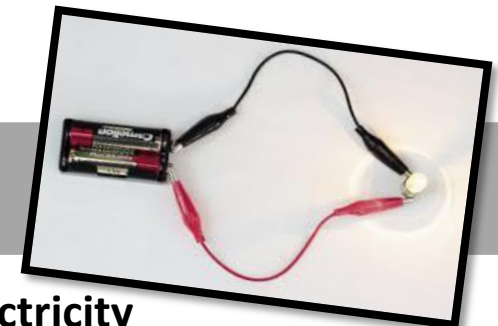

**Sound**

SUMMER

**Rocks, soils and fossils**

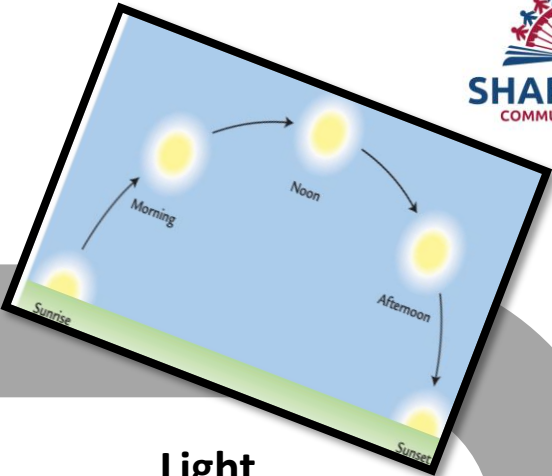

**Electricity**

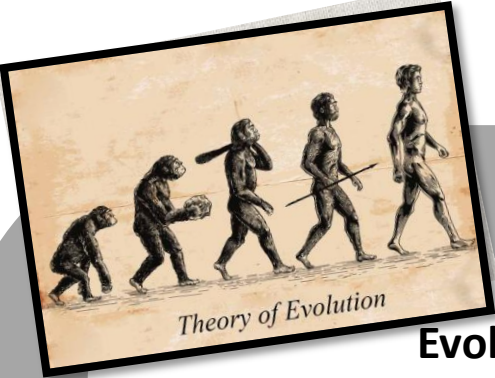

# UKS2 Science Journey Cycle A

**Living things and their habitats**  
Classification

**Light**

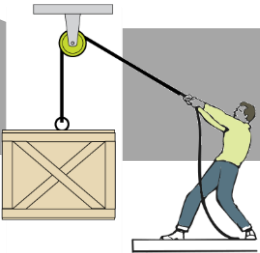

**Evolution and inheritance**

**SPRING**

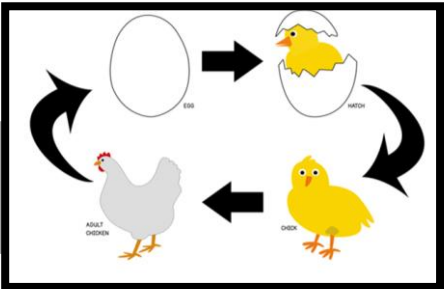

**Investigation focus**

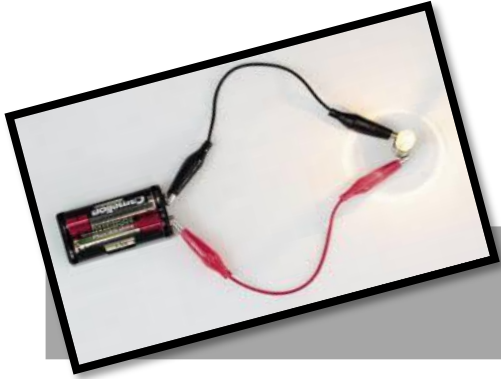

**Forces**

**SUMMER**

**Living things and their habitats**  
Life cycles

# UKS2 Science Journey Cycle A

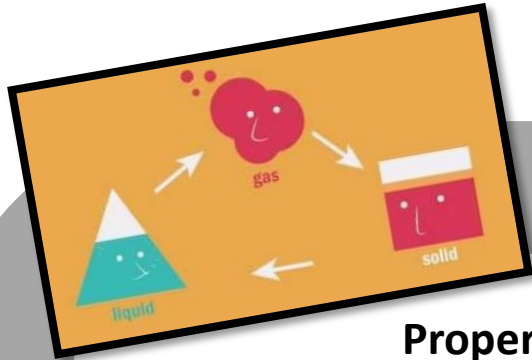

**Electricity**

AUTUMN

**Investigation focus**

**Properties of materials**

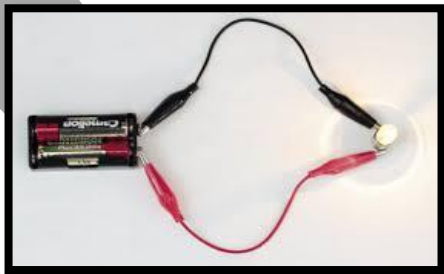

Reversible and irreversible changes

SPRING

**Animals including humans**

The circulatory system

**Electricity**

SUMMER

**Earth and space**
