

Art

Sharlston Vision

At Sharlston, we inspire every child to shine by nurturing their unique talents and fostering a love for learning. Together, as a community, we celebrate success as a shared experience, empowering everyone to reach their full potential.

Subject Vision

Our principal aim is to develop the children's knowledge, skills and understanding in art and design. Our art curriculum intends to inspire creativity, self-expression, provide opportunities for pupils to explore a range of different media and to take inspiration from artists from around the world.

Curriculum Drivers

Learning	Citizenship	Communication
<p>Our whole school curriculum provides children with opportunities to develop their skills in art using a range of media and materials. Children have the opportunity to explore and evaluate different creative ideas developing skills in drawing, painting, printing, collage and sculpture.</p> <p>Children will develop an awareness of the vast range of career opportunities available by studying art.</p> <p>Children will study a range of works by famous artists to develop knowledge of styles, techniques and artistic movements.</p> <p>Throughout the art curriculum, children have a sketchbook that follows them through the school to demonstrate progression.</p> <p>An art curriculum where children are encouraged to be creative, independent, as well as demonstrate a sense of pride in their work.</p>	<p>Through the teaching of art, long standing stereotypes of gender, race and age are challenged, to encourage pupils from all backgrounds to see themselves as artists.</p> <p>An art curriculum that ensures our children understand the value and importance of art in the wider community, and are able to use their artistic skills, knowledge, and experiences to involve themselves in art, in a variety of different contexts.</p> <p>An art curriculum that supports the development of greater self-esteem, self-control, and the ability to rise to a challenge through developing their resilience.</p> <p>An art curriculum which includes a diverse range of art from different periods of time in history, of different art movements from around the world and reflects our protected characteristics.</p> <p>Children take inspiration for their art from the natural world and personal experiences.</p>	<p>Ensuring children's Cultural Capital is developed by providing opportunities to visit art galleries and appreciate art work from a range of artists.</p> <p>Art is displayed to motivate and inspire others and to celebrate the pupils' artwork in their class.</p> <p>Children to evaluate their own ideas and methods, and the work of others, and say what they think and feel about them.</p> <p>Have the opportunity to discuss different styles and movements within art, which reflect the world we live in.</p>

Supplements

Extra-curricular clubs throughout the year include drawing and arts and crafts.

Wider opportunities include that showcases international, modern and contemporary art by renowned British and international artists.

For example: The Hepworth Wakefield, Yorkshire Sculpture Park and Tropical World.
