

Music

Sharlston Vision

At Sharlston, we inspire every child to shine by nurturing their unique talents and fostering a love for learning. Together, as a community, we celebrate success as a shared experience, empowering everyone to reach their full potential.

Subject Vision

At Sharlston Community School our Music curriculum intends to inspire creativity, build confidence and provide children with a wide variety of music performance opportunities and experiences. Through rich musical experiences we aim to build the children's knowledge and skills of the interrelated dimensions of music in age appropriate and accessible ways.

We want every child at SCS to...

- Enjoy making music
- Develop listening skills
- Express themselves
- Work collaboratively

Curriculum Drivers

Through our Music curriculum we teach our children to...

Learning	Citizenship	Communication
<ul style="list-style-type: none">• The musical skills and knowledge they need to be successful performers, composers and critics.• Work independently and collaboratively in music lessons and on musical projects.• Develop their own confidence and creativity to be ambitious musicians.• Take on board constructive feedback and evaluate their own work successfully.• Enjoy and participate in live performance and production and celebrate their success'• Have opportunities to play instruments and read music notation as a part of class teaching and as a whole class and individual/small group lessons with expert tutors.	<ul style="list-style-type: none">• Have confidence in their abilities, be resilient and try new things.• Be a respectful and appreciative audience.• Express themselves in a variety of different ways showing resilience when things are challenging.• Explore other cultures, countries and ways of life through musical experiences.• Understand the importance of music in the wider community.• Provides children with the opportunity to use taught knowledge and skills to involve themselves in music in a wide range of contexts.	<ul style="list-style-type: none">• Engage in music in as many ways as they choose; performing, listening, experimenting and creating.• Enjoy music from all walks of life through recordings and live performance.• To develop a love of music and form their own opinions of different styles and genres.• Evaluate their own work and the work of others in a respectful manner. Engaging in discussions about ideas and preferences of their own and others performances and compositions.

Supplements

We use Kapow schemes of learning to supplement our music curriculum.

Daily opportunities to listen to a wide variety of musicians, genres and musical styles through Musician of the Month.

Key Stage, year group and class performance opportunities to peers, wider school community and parents. Extra curricular musical opportunities such as 'Waterton's Got Talent' showcase event and 'Young Voices'.
