Sharlston Vision

At Sharlston, we inspire every child to shine by nurturing their unique talents and fostering a love for learning. Together, as a community, we celebrate success as a shared experience, empowering everyone to reach their full potential.

Subject Vision

Our history curriculum aims to make children curious about the past in Britain and the wider world, to understand the diversity of human experiences and provide them with opportunities to empathise, argue viewpoints and reach their own valid conclusions. Our curriculum develops the skills and knowledge that children need, in order to be Historians. All pupils are taught the explicit skills of being historians by developing chronology, enquiry and interpretation.
